21ST - 23RD MAY

'JOHN NEWTON'
OLNEY

"The organisation was fantastic! From the moment we stepped off the bus in the morning to the moment we got back on the bus at the end of the day, we were looked after and cared for (and thoroughly entertained it must be said). The band, the theatre company, the activities and the Pilgrims Path at the end were so well linked and intertwined throughout the day that it gave a really authentic, immersive experience that taught the children about John Bunyan and his impact.

Just brilliant."
